

SONG LIST 2023

Instructions for selecting the music for your event:

Please put "YES" next to the songs you would like to have played and "NO" next to the ones you do not want played. Please do not delete songs from the list. If you don't know a particular song or are not sure you want it played, leave it unmarked. Try to make your playlist as inclusive as possible and keep your guests in mind as you go through the selection process. We need to have some flexibility to read the crowd and respond to the audience. Most songs should be left unmarked in order to give 'Round Midnight the maximum flexibility read the crowd and respond to your guests. Too many "NO" songs limit our ability read to do this; please limit your "NO" selections to no more than 15 or 20.
